

Academic Year 2023/2024
Badji Mokhtar Annaba university
Bachelor Of Computer Science - First Year - S1
Algorithmics and Data Structures

TP1

Write C programs that allow:

- 1- Swapping the values of two integer variables.
- 2- Calculating the average of two modules with coefficients.
- 3- Currency conversion (Algerian dinars to dollars).
- 4- Conversion of time into hours, minutes, and seconds.
