

Exercises – Part 3: University Work Techniques

Exercise 2: Identify and Classify Information Sources

 Objective: To distinguish between different types of academic and non-academic sources.

 Instructions:

From the list below, identify the type of source and classify it as either Academic or Non-academic.

Source Title	Source Type (Book, Journal, Blog, etc.)	Academic or Non-Academic?
"Introduction to Educational Psychology" (textbook)		
A blog post on time management tips		
An article in The Journal of Sociology		
Wikipedia entry on artificial intelligence		
A YouTube tutorial on Excel functions
